LifeGroup Study
For the week of June 13, 2010

Quick Review

Looking back over your note-sheet from the "App" message on Sunday, what was most challenging, helpful, or interesting to you?

Digging Deeper

1. Read Romans 12:1-2. How does God accomplish his restoration work in us? Does your "stinking thinking" often get in the way of what God wants to do in you?

2. Read Ephesians 4:17-32. The restoring process from the old self to the new often involves a replacement of the bad with something good. What are the replacements God calls us to in the following verses.

- verse 25
- verse 28
- verse 29
- verses 31-32

3. What would be a replacement / restoration that needs to take place in your life? Complete this sentence... "Instead of _____ in my life, I need God to give me / fill me with _____."

4. As God applies his restoration in us, He encourages us to take the next step of faith and trust. Where are you seeing God do restoration and transformation in you? If your group is able, share where you see God at work in each other.
